21" L x 17" W x 2.50" H

WEIGHT

5 lbs.

CAPACITY

350 lbs.

BRENNER ADJUSTABLE FIELD HOSPITAL BED

PART # 8442

NSN 6530-01-630-9998

The Adjustable Field Hospital Bed (commonly known as the Brenner Bed) has been built for durability in the harshest environments. The frame is constructed of 1-1/2" aircraft-grade aluminum. The head and foot of the bed can be raised to support a sitting or Trendelenberg position. Two heavy duty caster wheels at the head of the bed allow for easy patient movement. A dense 3-inch foam pad is enclosed in medical grade vinyl, giving ultimate comfort, and easy decontamination. Two articulating side rails are engineered to keep patients safe, while giving easy access to providers. Multiple accessory points allow users to deploy the Brenner Bed for many different applications.

DIMENSIONS

82" L x 30" W x 30" H

WEIGHT

65 lbs.

ACCESSORIES INCLUDED:

Part # 8443 IV Poles (1 EA)

Part # 8444 Swivel / Mayo Tray (1 EA)
